

COASTWISE

CAFE DROP-IN EVENTS

Following the success of the first Coastwise cafes in January and February and in response to your feedback, we are running more Coastwise Café events. Anyone living or working in any of our coastal communities is welcome to attend. We are keen to share our progress so far and provide further opportunities to talk to us and share your views. If you are keen to get more involved, you can sign up for forthcoming workshops to develop plans to prepare for and adapt to coastal change.
