

**The Norfolk County Council
(West Runton, A149 Cromer Road, C293 Station Road and U14274 Water Lane)
(20 mph Speed Limit) Order 2024**

Statement of Reasons for Making the Order

To reduce the speed of vehicles in the village of West Runton to increase safety and align with the Norfolk County Councils Speed Management Strategy.

West Runton is a small village with narrow roads and can become busy during the summer months, with locals and tourists using the beach at West Runton as well facilities in the village. The A149 Speed Management Feasibility Study as reviewed by the Road Safety Team at Norfolk County Council has advised a 20mph speed limit in West Runton.

The proposal to make the Order is made because it appears to the County Council that it is expedient to do so for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.
