Notes :-

Bodies entitled to Discretionary Relief of Rates

Under the provision of the Local Government Finance Act 1988, discretionary relief can be granted in the following case:

- a) Where the ratepayer is a charity and the hereditament is wholly or mainly used for charitable purposes;
- b) Where the property is wholly or partly occupied for the purpose of one or more institutions or other organisations none of which is established or conducted for the profit and each of whose main objects are charitable or otherwise philanthropic or religious or concerned with education, social welfare, science, literature or the fine arts;
- c) Where the property is wholly or mainly used for the purposes of recreation, and all or part of it is occupied for the purposes of a club, society or other organisations not established or conducted for profit.

7. State Aid: Explanatory Notes

State Aid refers to financial support from a public or publicly-funded body given to organisations, which has the potential to distort competition and affect trade between member states of the European Union. Providing discretionary relief such as Retail Relief to ratepayers might, depending on the circumstances, amount to State Aid.

State Aid is generally prohibited by European Community rules. However, there are exceptions to this. Some financial aid is allowed under the 'de minimis' rules, if the total amount of funding received by an organisation does not exceed a prescribed limit. Currently, funding over a three year period must not cumulatively exceed €200,000 (including the current and two previous financial years).

Government will not fund any relief that would lead to the de minimis limit being exceeded with respect to any ratepayer. In cases where the limit would be exceeded, reliefs will not be granted or only granted up to the de minimis limit.

8. Have you received any other De Minimis State Aid (including Retail Relief) on the property other than the one stated above

✓ the appropriate box Yes ☐ (please complete the De Minimis declaration below and sign this form)

No ☐ (you do not need to complete the De Minimis declaration but must sign this Form)

‘DE MINIMIS’ DECLARATION

This award shall comply with the EU law on State Aid on the basis that, including this award, **(organisation name)** shall not receive more than €200,000 in total of De Minimis aid within the current financial year or the previous two financial years.

The De Minimis Regulations 1407/2013 (as published in the Official Journal of the European Union L352 24.12.2013) can be downloaded at:
