

The following Petition was submitted to the Council on 2nd December 2025:

‘Save Sheringham’s Historic Brick Bus Shelter’

The online petition is still open and the matter for discussion is still ‘live’. For this reason, the signatures have not been verified. As at 7th December 2025, the number of signatures was 3,780.

It is noted that the decision-maker for this matter is Norfolk County Council and that North Norfolk District Council has been sent the petition as Sheringham is within the District.
